CONCIERGE MEDICINE

PRIMARY CARE + PULMONARY

Concierge medicine offers a personalized, patient-first approach to your health. With extended appointment times and same or next day visits, you'll receive comprehensive care tailored to your unique needs. This is healthcare designed around you.

TESTOSTERONE REPLACEMENT THERAPY

Low testosterone can impact everything from energy levels and mood to muscle mass and libido. Our medically supervised Testosterone Replacement Therapy (TRT) helps restore balance, so you can feel like yourself again. Led by board-certified physicians, we tailor the treatment to your unique needs—backed by science, delivered with care.

WEIGHT LOSS

Achieve sustainable results with our physician-supervised weight loss program, powered by cutting-edge GLP-1 therapy. Under the care of our board-certified physicians, you'll receive a personalized plan designed to support your body's natural ability to lose weight—safely, effectively, and with ongoing support every step of the way.

PHOENIX HEALTH OASIS

FACIALS

Custom: Tailored to your unique skin needs, this facial includes cleansing, exfoliation, massage, and a mask for radiant, healthy skin.

Acne: Deep cleansing and exfoliation to target breakouts and promote clear skin.

Dermaplane: Manual exfoliation to remove peach fuzz and dead skin cells, revealing smooth, rejuvenated skin.

HydroDiamond: This advanced treatment combines deep cleansing, gentle diamond-tip abrasion, and hydrating serums to reveal smoother, more radiant skin.
