## CONCIERGE MEDICINE

### PRIMARY CARE + PULMONARY

Concierge medicine offers a personalized, patient-first approach to your health. With extended appointment times and same or next day visits, you'll receive comprehensive care tailored to your unique needs. This is healthcare designed around you.

## HORMONE & TESTOSTERONE REPLACEMENT THERAPY

Hormonal imbalance can impact everything from energy levels and mood to muscle mass and libido. Our medically supervised Hormone Replacement Therapy (HRT) helps restore balance for men and women, so you can feel like yourself again. This includes personalized treatments like Testosterone Replacement Therapy (TRT), tailored to your unique needs. Led by board-certified physicians, the treatment is backed by science and delivered with care.

## Medical Weight Management

Achieve sustainable results with our physician-supervised weight loss program, harnessing the power of advanced GLP-1 therapy. Under the care of our board-certified physicians, you'll receive a personalized plan designed to support your body's natural ability to lose weight—safely, effectively, and with ongoing support every step of the way.

**LED Treatment** \$30

## CHEMICAL PEELS

**SkinBetter Science®** \$125

**VI Peel®** \$275

**VI Peel® Package of 3** \$745

# SPA PACKAGES

## ANTI-AGING TREATMENT

\$240

This ultimate multi-step treatment combines HydroDiamond exfoliation and Radiofrequency for firming and smoothing. A powerful infusion of serums via Ultrasound and Oxygen spray delivers deep rejuvenation, creating a visibly firmer, more youthful complexion with zero downtime.

## ANTI-ACNE TREATMENT

\$240

This clinical multi-step package begins with HydroDiamond exfoliation and salicylic acid for deep pore cleansing. Ultrasound and Germicidal High Frequency target active blemishes and minimize pores, while a final Oxygen infusion calms inflammation, leaving the skin clear and smooth.

## NECK AND DECOLLETE SKIN REJUVENATION

\$240

This treatment defies gravity by gently refining skin with HydroDiamond hydrodermabrasion before utilizing Radiofrequency for powerful firming and lifting. We use Ultrasound and Oxygen infusion to drive hyaluronic acid and collagen-boosting peptides deep into the skin, effectively smoothing creases and restoring tone.

## HAND HYDRATION AND REJUVENATION

\$220

This treatment actively restores youthful volume and reduces signs of aging on the hands. It uses diamond-tip exfoliation and Ultrasound to infuse deep hydration with hyaluronic acid. Firming Radiofrequency is then applied to tighten the skin, leaving your hands noticeably softer and more rejuvenated.

## LASH & BROW ENHANCEMENTS

**Eyebrow Tint** \$30

**Eyebrow Lamination** \$50

**Eyebrow Lamination + Tint + Wax** \$90

**Eyelash Lift + Tint** \$80

## WAXING

**Chin** \$15

**Eyebrow** \$20

**Lip** \$15

**Nose** \$20

**Sideburn** \$30

**Underarm** \$30

**Half/Full Arm** \$40/50

**Half/Full Leg** \$40/70

**SHARE YOUR OASIS EXPERIENCE: REFER A FRIEND FOR A NEW SERVICE AND BOTH RECEIVE A \$25 CREDIT TOWARD YOUR NEXT TREATMENT.**

## CANCELLATION POLICY

As a courtesy, your time with our medical and aesthetic staff is reserved exclusively for you. We kindly request a minimum of 24 hours notice for any appointment changes. Failure to notify us will result in a \$50 reservation fee to your account.
